Dear Parents and Carers,

Next week- May 21<sup>st</sup> – 25<sup>th</sup> it's Walk to School Week!

Walk to School Week is a national scheme to encourage children to be healthier. Every day children who have walked to school will get a point and the class with the most points at the end of the week will get a reward. Over the week the children will learn about why walking is good for us and how much fun it can be too.

We want to encourage as many of you as possible to leave your cars and walk, cycle or scoot but we understand that it isn't always possible. If you can't walk to school you could park further away and walk or the children can walk 3 times round the playground, seen by a teacher, to get their mark. Mrs Lowings will walk with the children who catch the bus and breakfast club will walk with those children.

Yours sincerely

L Barbuti  
Acting Head of School
